

THE AUTHENTIC
R.A.T. PRO X3
OPTICAL GAMING MOUSE

MAD CATZ

Change your mouse as often as you change your game with The Authentic R.A.T. Pro X3 Optical Gaming Mouse. Featuring a customizable scroll wheel, palm rests, thumb rests, pinkie supports and glide feet, this mouse offers the ultimate in customization.

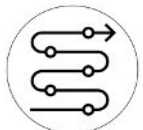

ENDLESS CUSTOMIZATION

Calibrate the tension of the scroll wheel or swap it entirely with 3 included options. The thumb rest, pinkie rest and palm rest can all be quickly and easily adjusted or swapped to fit your needs.

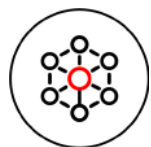

TOP QUALITY MATERIALS

Precision engineered for quality and durability, this mouse comes with carbon fiber thumb rests, titanium screw fittings and a super-hydrophobic coating.

INTERCHANGEABLE GLIDE FEET

Low friction glide feet provide smooth, fast movement without dragging and included options, ceramic and PTFE, offer more customization.

MULTI-BUTTON

With up to 10 customizable buttons the R.A.T. Pro X3 provides multi-button functionality for maximum precision and control.

ADVANCED TRACKING

With up to 16,000 DPI and a 0.33ms response time, the R.A.T. Pro X3 provides the most advanced tracking for the ultimate in movement control.

ADJUSTABLE PALM REST

Whatever your style of grip the R.A.T. Pro X3 can easily and quickly adapt to your needs with several included rest support options and angle adjustability.

CUSTOMIZABLE SCROLL WHEEL

Calibrate the tension of the scroll wheel, freewheel or step-by-step, using the included hex tool while 3 included scroll wheels options, with various materials and threading, give you even more customization.

ADJUSTABLE THUMB & PINKY SUPPORT

The adjustable thumb rest comes with 2 variations (wide angle and standard) and the pinkie rest comes with 2 variations (standard and hook) for customizable comfort.

3 RGB LED ZONES

Personalize your gaming experience with up to 16.8 million customizable colors in 3 different lighting zones.
