

THE AUTHENTIC **E.S. PRO⁺**

GAMING EARBUDS FOR PC, CONSOLE AND MOBILE DEVICES

Whether you're battling it out for first place or just walking down the street, The Authentic **E.S. Pro⁺** Gaming Earbuds are an ideal combination of comfort and performance. Featuring dual microphones and a 13.5mm speaker, the **Pro⁺** earbuds have the features you need and won't get in your way. And with the included interchangeable earbuds, they remain comfortable even after a long day of play.

DUAL MICROPHONES

The in-line microphone is perfect for every day use, allowing you to easily control your music or answer a call on the go.* And when it comes time to strategize with your team, the detachable microphone ensures you won't miss a beat.

13.5MM SPEAKER

The 13.5mm speaker offers fantastic clarity and bass response.

FLAT CABLE

The flat 35mm audio cable reduces tangling and connects seamlessly to console controllers, laptops, mobile devices and more.
